Dear Ms Arnell,

On 23<sup>rd</sup> November 2021 you contacted the Commission stating that since a representation was submitted on behalf of your client, CCP IV Ernside Sàrl, that there has been a change in material circumstances. In line with Paragraph 28 of the Commission's [Procedures for Independent Examination of Local Development Plans](#), the appointed Commissioner has asked for me to contact you to permit you the opportunity to make a further written submission, if you so wish, solely in relation to what you consider to be the important change in circumstances which have occurred since the plan was referred for Independent Examination. As well as an electronic version, four copies will be required in paper format of any material submitted. Any response that is received will be posted on our website. The submission should be received by the Commission by 12noon on 21st January 2022. Late response to this request will be returned or disregarded.

Yours Sincerely
