

PRINCIPLES FOR PAC/PLANNING SERVICE MEETINGS

1. Meetings shall be arranged on an ad hoc basis when there are issues requiring discussion – issues to be agreed in advance.
2. No discussions shall take place on any of the following matters:
 - current casework before the Commission, including procedural issues relating to such casework;
 - the merits of current casework before the Department; and
 - emerging Departmental policy or the content of emerging draft development plans.
3. Minutes of meetings shall be agreed and shall be available to the public.
