Good morning,

Your reference: 2021/WHR03 – WHR04

DAERA are currently seeking the relevant clearances for a response to the WAC related to the WAC correspondence to DAERA on 25 April 2024. Within that letter you requested that DAERA respond by 2pm on 1 May 2024.

Given the level of clearances required for the Department's response, it is likely that DAERA will miss your requested deadline, however we will be endeavouring to get a response to the Commission as soon as possible.

Best regards
