WATER (NORTHERN IRELAND) ORDER 1999

I refer to your application for consent under the above Order dated 15 August 2019 submitted in respect of a discharge of sewage effluent arising from Linen Mill Studios situated at Castlewellan Road, Banbridge, Down, BT32 3SG.

As the Department must consult with a number of statutory bodies as well as yourself about various aspects of the application, in accordance with Schedule 1 Paragraph 2(2) of the Water Order it may be necessary to seek your agreement to time extensions to enable the application to be fully determined by the Department.

Time extensions are normally sought at 4 month intervals from the date on which the application form and accompanying documentation is received by the Department.

The purpose of this letter is, therefore, to confirm that any such requests will seek a 4 month time extension dating from 13 January 2021, the date on which your application expires.

I am enclosing for your attention the first such request and should be grateful if you would agree to this extension of time to 13 May 2021 to enable the Department to process further your application.
