Dear Sir/Madam,

Re: Curraghinalt Project (Dalradian) - Public Local Inquiry – Transboundary Consultation

I am writing in relation to your e mail of 15th May 2025.

Thank you for confirming that the Department will provide an electronic list of names and addresses in a format that will assist the Commission and therefore prevent delays to the progression of the CPI.

It is noted that the embedded spreadsheets will be time consuming, and in the interests of expedition, I am content that the applied reference numbers against the submissions will be sufficient in this instance.

I would be grateful if the Department could confirm a new date on which it would expect to have the information with the Commission.

Yours faithfully,

Jemma Lynas
Chief Administrative Officer
On behalf of the Planning Appeals Commission
