Dear Programme Officer

**Re: Curraghinalt Project (Dalradian) - Public Local Inquiry –
Transboundary Consultation**

Further to the Department's last correspondence of 9 June 2025 regarding the above, please find attached a voluntary submission by the Department highlighting issues raised in the representations received.

I trust the foregoing is helpful and will enable the Commission to now proceed to arrange the further timetabling of the public local inquiry.

The Department of Infrastructure is eager that the hearing sessions can proceed without any unnecessary delay in the interests of all parties involved, and in the wider public interest.

Yours sincerely

Regional Planning Policy & Casework
