Dear Programme Officer

**Re: Curraghinalt Project (Dalradian) - Public Local Inquiry: LA10/2017/1249/F,
LA10/2019/1386/F & LA11/2019/1000/F**

I refer to the Commission's letter of 1 July 2025 and follow-up of 8 July 2025 to the Department of Infrastructure requesting clarification on whether the Department intends to request further environmental information from the applicant(s).

In light of the PAC's position set out in your letter to the Department of 1 July 2025 and in order to progress matters as efficiently as possible, the Department is carrying out a review of the existing environmental statement in the light of the representations received and will be in contact to advise you of the outcome as soon as possible.

Yours sincerely
