WSP UK Limited (WSP) have been commissioned by the Department for Infrastructure (Dfi) to initiate contact with NIEA in order to seek advice and input to the design and implementation of a habitat management plan at McKean's Moss ASSI in relation to the proposed A5 Western Transport Corridor following recommendations made in the Planning Appeals Commission (PAC) report resulting from the 2020 Public Inquiry for the proposed scheme.

Please find attached a formal consultation letter requesting NIEAs advice on this matter which we hope that you may be able to assist on and look forward to hearing back from you soon.

Kind regards
