CONFIRMATION OF ATTENDANCE AT ORAL HEARING SESSIONS

Dear Sir or Madam

Belfast City Council have responded to the Commission's letter of the 3rd July 2020. A copy of this letter and their response of 31st July 2020 can be found on our website at (www.pacni.gov.uk/node/120/). The independent examination is moving to the pre-hearing stage.

The ongoing implications of the Covid-19 global pandemic have altered the way in which the Commissioners had expected to conduct the Independent Examination as outlined in our procedures document. ([Procedures for Independent Examination of Local Development Plans](#)) In the interests of moving forward we are making plans to accommodate the opening sessions of the Independent Examination (IE) on a remote basis. As time progresses and regulations/guidance change we may be able to accommodate (IE) sessions in person. How the sessions will be accommodated will be a matter for the appointed Commissioners.

The programme of hearing sessions and associated guidance notes will be published on our website www.pacni.gov.uk in due course. A specific guidance document will be published for how the remote hearing sessions for the IE will operate. In the interim you can refer to our remote hearings protocol which has been prepared for appeal cases ([PACWAC Covid-19 Remote Hearings Protocol](#))

You made representations to Belfast City Council regarding the soundness of the Plan Strategy document and indicated that you wish to take part in the public hearing sessions. I am writing to enquire if you still wish to participate in them or if you want to rely on your written representation to the Council. The Commissioners will afford equal weight to oral and written evidence.

Please confirm in writing (preferably via email) whether you wish to participate, for each of your clients, in the public hearing session or not. Please note that if confirmation of your intention to attend the oral hearing session (in whatever form) is not provided before 4pm on Thursday 10th September 2020 the Commission will proceed on the basis that you do not wish to participate in the public hearing sessions.

During the examination process the Commission will regularly update our website and **use email as our primary means of contact**. Please regularly check the website to keep up to date with the latest developments. **If you need to update the email address we hold for you, please contact me directly.**

If you have any questions about the content of this email, please do not hesitate to contact me using the email address or telephone number above.

Yours faithfully

James Bickerstaff
