Hello,

In recent correspondence with [REDACTED] of NIEA CDP Division he referred me to the [NIEA Priority Habitat Rapid Condition Assessment webpage](#) for information on methods etc. However, this currently does not provide the broad habitat assessment guidance documents and refers to this e-mail address to request copies. Please could I therefore request the relevant RCA guidance document for bog/moorland habitats. If there was any chance of providing this within this week that would be greatly appreciated.

Kind regards
